

## Internationalisation Programme

### Introduction

In HS, we hope that every Sec. 3 student gets to travel overseas with the school as part of the signature programme in 2018. These overseas trips are powerful learning experiences for students to develop understanding of another country's culture and appreciate what we have in Singapore. It will also include opportunities for interaction between our Singapore students and their overseas counterparts.

The following is the list of overseas trips for 2018. Registration starts on 9 February 2018. Students, please discuss with your parents/guardians to obtain their permission before you register your interest via the following link: <https://tinyurl.com/yamf69h8>

The closing date for registration is on 20 February 2018.
