Secondary 3 Extended Curriculum Time

Dear Parents/Guardians,

The school will be conducting the Extended Curriculum Time (ECT) for Secondary 3 students from **23 October to 31 October 2023**. As your child/ward has just sat for the End-of-Year Examination, we will be using this time for revision and teaching so that he/she will have better awareness of his/her strengths and areas for improvements. Your child/ward should use the rest of the holidays wisely to close learning gaps.

Kindly note that your child should be in full or half school uniform (PE /class T-shirt with skirt/pants) and proper school shoes.

Thank you for your partnership and support.

Regards,

Mr Lee Thuan Sim
Principal
