- The Polytechnic Foundation Programme (PFP) is a diploma-specific foundation programme conducted over two academic semesters at the polytechnics. It caters to candidates in the N(A) course who have decided to pursue a polytechnic education and meet the PFP eligibility requirements at the end of Secondary 4.

- **School candidates interested in applying for the PFP should first report to their secondary schools in 2024 to start their Secondary 5 year, while awaiting notification of eligibility and confirmation of a place in the PFP.**
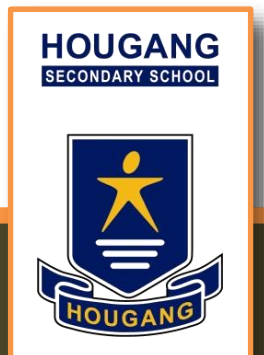

Application for the Polytechnic Foundation Programme (PFP)

Applications for the PFP will open in January 2024, on the day of the GCE Ordinary-Level (O-Level) Examinations results release. Candidates eligible for the PFP will receive a copy of **Form P** on the same day, inviting them to apply for the PFP.

For more information on the DPP and the PFP, please visit these websites:

- Polytechnic Foundation Programme (PFP) (https://pfp.polytechnic.edu.sg/PFP/index.html)

Pathways for 4NA

For students who are only interested in the PFP:

- You should first progress to Sec 5N(A), even if you meet the PFP eligibility criteria based on their GCE N(A)-Level results.

- You may then apply for the PFP upon release of the GCE O-Level results in January 2024. If your application is successful, you will withdraw from Sec 5N(A) by the end of January 2024.

- All PFP-bound students are required to attend Sec 5N(A) classes in their secondary schools up till the last Friday of January 2023, i.e. **26 January 2024**.

For students who are only interested in the DPP:

– You should apply for the **DPP**.

– Students who have **accepted their DPP offers** in December should **not** continue with Sec 5N(A). Please inform the school **General Office and 4NA CCs** so that we need not reserve a place for you in Sec 5 in 2024.
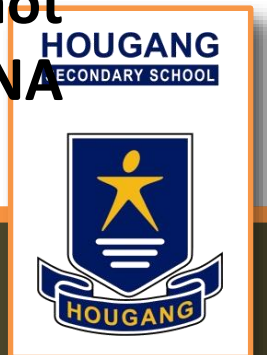

What if I am interested in PFP and DPP?

For students who are interested in applying for both PFP and DPP:

- You are encouraged to consider carefully your interests and strengths, as well as the courses offered under both programmes.

- **If you are certain that you do not want to continue with Sec 5 and pursue the GCE O-Level**, you **SHOULD** apply for the **DPP in December.** Upon the release of the GCE O-Level results in January, eligible students may apply for the PFP. If you are offered and accept a PFP place, *you can then withdraw from the DPP.*

Alternatively;

- You may progress to Sec 5 first. Upon release of the GCE O-Level results in January, you may then apply for the **PFP and DPP concurrently.**
